

2nd floor

1st floor

The Waverton

This home won many of the 16 awards in which it was selected as a finalist. There are too many features to describe here. It was designed to maximize the views and has over 1,600 square feet of covered outdoor living areas. Tall ceilings, exercise area, mud room, offices, media room, kids study turret and a secluded reading space are just some of the treasures of this home.
